Re: Invoice #11-B-090

Todd,

Thank you and your crew for a successfully completed project that was professional, knowledgeable, informative, and courteous.

I will follow-up with your recommendations for extending the life of the lanai slab stabilization.

If there is ever a requirement for any of the services that Consel Inc. provides, I will not hesitate to contact for myself or any referral.

Again, thank you.

Best regards,

David M. McMinn
